Ayahuasca Restoration Foundation

How to give

The Ayahuasca Restoration Foundation is a programme of **Céu do Novo Mundo**, a California 501(c)(3) non-profit, **EIN 84-1799040**. Gifts are tax deductible for US taxpayers to the extent allowed by law. Donors outside the United States can give by the same routes; there is no US deduction, and other options can be discussed on request.

What you receive

An acknowledgement of every gift for tax purposes, and after the winter a short and honest report: what was cooked, what was planted, what survived from earlier plantings and what did not, what was decided at the Dieta Center, and where the money went.

Timing

For the winter programme, knowing an intention by 1 October helps commit to Davi and plan the winter; the money itself is needed by 1 December 2026.
